## Big Idea

We can share God's love by helping those who are hurting.

## Conversation Starters:

Get ideas flowing by sharing some of your own ideas too!

Use these questions to get your kids thinking about the Big Idea.

- Besides me, who helps you when you get hurt?
- Is there anyone you've helped when they got hurt? How did you help?

## Video:

Watch this week's video.

## Pray & Discuss:

After the video take time to talk about it together.

- What was the Life Story about in today's video? What was the God Story about?
- What miracle did Jesus do in the God Story? (Luke 5:17-26)
- Jesus shared God's love by forgiving the man of his sins and healing his wounds. We can also share God's love by pointing people to Jesus and helping those who are hurting. Who are some people that we know who are hurting?
- **Pray:** Thank God for the people who help you when you are hurting and ask God to help you see those who are hurting. Invite God to help lead you to see how you can connect with these people.

Learn the Key Verse together by using the actions printed below. See if you can lead the verse without using the written words and simply remembering them through the actions.

God is the Father  
who gives  
tender love.  
All comfort comes from him.  
He  
comforts  
us in all our troubles.  
Now we can comfort  
others  
when they are in trouble.
