

# Son of God

Luke

**Big Idea**

Jesus invited others to learn from him.

**Conversation Starters:**

Get ideas flowing by sharing some of your own ideas too!

Use these questions to get your kids thinking about the Big Idea.

- Have you ever gone fishing? What did you catch?
- Have you ever been on a boat? What kind of boat was it? Where did you go?

**Video:**

Watch this week's video

**Pray & Discuss:**

After the video take time to talk about it together.

- What was the God Story about?
- What was the Life Story about?
- How do both these stories connect to our Big Idea (**Jesus invited others to learn from him**)?
- **Pray:** God is a part of the conversation with us! You can model for your kids that they can pray to God anytime. You don't need specific words or length but it's great to tell God what you're thinking and ask for him to speak to you and remind you he is near.

**Family Discussion:****Supplies:**

- Bibles
- Pens or markers
- 1 fishing boat activity page per person

- Look up Luke 5:10 and discuss:
  - What did Jesus say to Simon?
  - What did Jesus mean?
- Jesus invited twelve guys to be his disciples. Many other women and men followed him, too. Anyone who follows Jesus is his disciple!
- We can fish for people just like Jesus' earliest disciples did. We can do this by inviting our friends and families to follow Jesus.
- Chat about why we invite people to church or tell them about Jesus. Consider the reasons we want others to know about Jesus.
- Take a moment to pray and ask God to give you the names of people you could tell about Jesus or invite to church.
- Give everyone an activity page. You can write the names of the people you prayed about, or draw pictures of them. Go ahead and color the rest of the page.
- End by praying together again, asking God to give us the courage to share about Jesus.

# Additional Activities

---

## Key Verse Activity

Supplies:

- Fish verse cards
- Scissors

Prep: Cut out the fish verse cards.

- Place the fish verse cards face down.
- Turn them over and see if you can put the verse in order.
- If you like, have each person go one at a time and time them to see who can go fastest. Or, print two copies of the cards and have teams compete against one another.

## Intro 3-5

Supplies:

- Blank paper
- Scissors
- Marker
- A hat or bowl

Prep: write everyone's name on a piece of paper, and put them in a hat or bowl.

- Play a game learning about how we each have learned to do different things. Ask each question and then have one person at a time draw a name. Whoever's name is drawn is the person who is going to answer that question. Once everyone's name is drawn once, put all the names back in to keep going. Feel free to add your own questions!
  - Who taught you how to tie your shoes?
  - Who taught you how to ride a bike?
  - Who taught you how to swim?
  - Who taught you how to do a somersault?
  - Who taught you how to fly a kite?
  - Who taught you how to write your name?
  - Who taught you how to zip a zipper?
  - Who first taught you about Jesus? (Have everyone answer this one)
- Conclude by saying we learn lots of things from lots of people. This week we're learning that **Jesus invited others to learn from him**. What have you learned from Jesus?
