Luke 23:26-56 | Suffer

Big Idea	Jesus suffered for us.
Conversation Starters: Get ideas flowing by sharing some of your own ideas too!	Use these questions to get your kids thinking about the Big Idea. • What's the most difficult thing you've ever done for a friend? For a family member? For someone whom you didn't know well? • What do you think the word "suffer" means? • Why do you think Jesus chose to suffer for us?
Video:	Watch this week's video.
Discuss:	After the video take time to talk about it together. • Can you recap the God Story in less than one minute? What happened and why? • Why was the tearing of the curtain in the temple important? What does it mean? • Helpful tip: The temple curtain separated the Holy Place (where people could be) and the Most Holy Place (where God was). Its tearing showed the **reunion of people with God**! There was no longer a barrier caused by sin.
Tearing the Curtain Activity Supplies: • Markers • Craft paper (any paper will do if needed)	Prep: Have supplies ready. • Brainstorm together as many things you can think of that separate us from God. (i.e., examples of sin) • Allow your child to write or draw on this page. • After writing, invite your child to draw a large cross on the page overtop of all the things that separate us. • Remind kids that Jesus rescued us from all of these things by dying on the cross. • Together, rip the page to show that these sins have no power over us because of Jesus! We have full access to God because Jesus was willing to suffer for us. • Take time to pray together and give thanks to Jesus for this.
